

Electronic Filing Instructions
Tyco SEC Fair Fund

I. Important Notes – PLEASE READ

- Electronic claim submissions apply to institutions filing on behalf of multiple client or proprietary accounts.
- If you previously filed claims in connection with the class action settlement of In re Tyco International Ltd. Securities Litigation, MDL Docket No. 02-1335-PB (D.N.H.) (the “Tyco Class Action”) in 2003, you **do not** need to submit another Proof of Claim Form to participate in the Fair Fund created for this litigation. You are automatically deemed to be a claimant with respect to those transactions for which a claim was previously approved in the Tyco Class Action so long as your approved transactions calculate to a Eligible Loss under the Plan of Allocation for the Tyco Fair Fund Distribution Plan.
- You **ONLY** need to take any further action if:
 - You have additional (new) accounts for which you did not file in the prior class action litigation.
 - You have **additional transactions** of Tyco common stock during the periods of 12/1/1997 through 12/12/1999 and 6/8/2002 through 3/13/2003 for a claim that was previously filed in the Tyco Class Action.
 - You are a custodian, trustee or professional investor and claiming on behalf of more than one potentially eligible claimant in a pooled investment fund or entity. You will be required to complete a certification attesting that any distribution you receive will be allocated for the benefit of current or former investors and not for the benefit of management. To obtain a copy of this certification, please contact the Fund Administrator or visit the SEC Fair Fund’s website at www.tycosecsettlement.com.
- Electronic claim submissions **MUST** be accompanied by all documentation requirements outlined in section III of these instructions.
- Beginning holdings for common stock are as of the close of business on 11/30/1997.
- Provide all purchases and sales of TYCO common stock from 12/1/1997 through 3/13/2003.
- Provide all acquisitions of TYCO common stock that were a result of a merger from 12/1/1997 through 3/13/2003.
- **DO NOT** provide transactional data such as purchases and sales for companies that merged with TYCO during the Class Period. You are only potentially eligible on TYCO common stock shares acquired from these mergers.

- Unsold holdings for common stock are as of the close of business on 3/13/2003.
- There was a 2:1 stock split on or around 10/22/1999, and our system automatically calculates shares received from the stock split. In order for your claim to balance, all beginning holding positions and transactions prior to the split date must reflect pre-split quantities.
